Wild Oaks ELC Summer Newsletter 2020

This year is maybe not quite what we have planned for ourselves and children. We hope now that a bit of ‘normality’ can resume with the lifted lockdown restrictions. We would like to thank you all for your support during these uncertain times and hope that the last term at Wild Oaks is a great room.

**Staffing**

**Rising 2’s and 3’s Team**

Amy

Katie

Kellie

**The Pre-School Team**

Zoe

Olivia

**Rising 2’s and 3’s**

Have been looking at colours and a range of craft activities. Spending lots of time outside developing gross motor skills. Also working on listening skills such as circle time activities, and stop and go games outside.

**Pre-School**

Have been looking at letters and mark-making activities. We have also been working on recognising our own names. We have been sharing stories about starting school. We have been working together to complete tasks and encourage sharing and turn taking.

**Family Photographs**

Could you please bring in or email some family photo for our room displays.

**Nursery T-shirts and Hoodies**

We are delighted to be having a new uniform for the staff and children to wear – you may have seen some of the staff already wearing our black t-shirts with rainbow logo on the front. These are available to buy at a great price, children £5 each or 3 for £12. Hoodies will also be available, these are olive green with the Mighty Oaks Little Acorns logo on and can be bought for £10. Please let us know if you would like to order any.
Covid – 19 Signs and symptoms

If your child is showing any signs or symptoms of Covid-19, including a **high temperature**, a **new, continuous cough** – this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours or a **loss or change to sense of smell or taste** – this means they cannot smell or taste anything, or things smell or taste different to normal then you must **stay at home** and seek medical advice.

School Leavers

It is not long until our children will be leaving us to make their next transition to school. We will be reading some stories and sharing some school readiness hints and tips on our Facebook page and with our children in the setting. If you have any concerns or would like us to help in any way – please let us know.

Reminders

**Snacks** – Please remember to include enough food for your child to have a morning snack, healthy lunch and afternoon snack.

**Sun cream** – Please apply sun cream to your child before coming to nursery on sunny days. We will top their cream up in the afternoon.

**Hats** – please send your child in with a hat to wear in the sunny weather please.

Activity at Home – Eye spy walk.

When you are out and about with your child, you could try a game of eye spy using colours. For example – I spy with my little eye something that is “Red, Green, Yellow, Blue”. Then encourage your child to have a go too.

Social Distancing

Could everyone please take note of the markings on the pavement and signs when arriving and leaving nursery. We have created a route for you to use when entering and exiting so that we can be safe as possible. When dropping off any pre-school children, please wait away from the doors by the wooden fence so we can keep 2 meters apart. Many Thanks for your co-operation.

Dates for your diary – Last day of term 17th July 2020
